

Player Sponsorship Packages | 2022

Lilydale and Yarra Valley Netball (Valley) are offering Player Sponsorship Packages to all our Representative Players.

The purposes of these packages are:

1. Player Sponsorships allow Rep Parents to have their work, or a business/company pay the Rep fees. The company can then claim the costs of Player Sponsorship through their company/business as a tax deduction. The packages offer better value for money than paying for your child's fees privately.
2. Business/company gain exposure at Pinks Reserve Netball Facility
3. Valley gains additional revenue from the transaction

Every dollar a player/family bring in as sponsorship, we will discount 60c from their fees, eg if a player brings in \$100 dollars in sponsorship, they will have \$60 discounted from their fees.

Valley will provide an invoice addressed to your company's name for sponsorship.

Sponsorship Levels and Actual Costs to parents (see following pages for details)

Valley will also consider in-kind contributions to some or all the sponsorship value, e.g. if you are a Gym and are willing to provide gym access to our Representative teams in lieu of a cash payment.

If you already have paid some or all your child's fees for this year, Valley will provide an invoice for the full Sponsorship Package and a personal refund for what you have paid to date.

Signage must be installed and erected by Allwrite Signs. The design, artwork and cost of the sign is the responsibility of the sponsor. The signs remain the property of the sponsor and will be returned at the end of the agreed term.
